## F O R W A R D

With the publication of this 1970-71 Reflector comes the conclusion of the ninth-graders junior high education. Behind us, we will leave empty desks and positions to be filled in by eighth-graders coming up to the ninth. Ahead of us will be our whole future which only we by our attitude and actions can affect.

When we go into high school we must remember that those last three years are the most important since kindergarten. Those will be the years that decide whether we'll be "somebody" or just another person walking the streets. Those years will ask more of you than any other so far. The work will be harder, the schedule will toughen and (if you go to Saginaw High) the hours will be longer.

Some may want to go to the Career Opportunity Center which should be opened in the last part of 1972. This Career Center will offer occupational training and placement for students which has never been available in Saginaw before. Students who go there will go to their high school half a day and to the Center the other half.

The opportunities are set before you, but it is up to you to take advantage of them. Only you can set the pace for yourself. Pick your goals, stick to them until you reach them. Good Luck on the way.

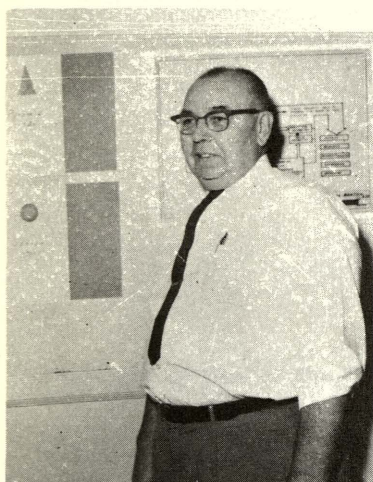

Ronald Herd,  
Editor

#### DEDICATION

by Harold Barnett

This year the journalism class dedicates the Annual to Mr. Russell Everett and Mr. William Schroeder.

Mr. Schroeder came to Central Junior in 1943. He taught for 12 years in other school systems.

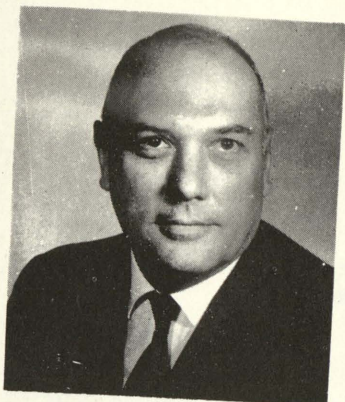

He taught Mathematics and Algebra here at Central, until his retirement in June of 1970.

Mr. Everett came to Central in 1966 after retiring from business and teaching for 3 years at Webber and Arthur Hill Tech.

He taught metal shop and mechanical drawing here at Central until his sudden death on April 26, 1971.

Dear Pupils:

Concern over the pollution of our environment is just one of the many of our basic concerns for nature and for all of us. Much talk has been made about ecology and some positive actions are beginning to happen. Likewise, progress is being made in making education more relevant, but it can only be so if you do your share.

Meanwhile, before you return next fall when school resumes, have a good summer. To those ninth graders who will be moving on to senior high, we wish all of you good fortune in your new venture.

Sincerely,

IRVING W. BURTT, Principal

Students of Central Junior High School:  
As we enter the conflict and crisis of the 70's let me remind you that we each have a tremendously difficult job facing us. Everything we do, say, or think contributes to the type of society we want to live in, and certainly we want freedom and happiness. As the late Dr. Martin Luther King, Jr. worked non-violently to rid America of prejudice, injustice, and unhappiness, we too should do our part to make this dream become a reality.

The late and immortal John Fitzgerald Kennedy said, "Martin Luther King Jr.'s unfinished work on earth must truly be the goal of all people." Let's each one of us remember to do our part in facing up to this tremendous challenge.

Good luck and best wishes in the years ahead.

Sincerely,

Thomas B. Sharpe,  
Assistant Principal  
for Curriculum

Today we hear a great deal about LOVE and about PEACE. All of us need these as a part of our well-being. However, before any of us can achieve that PEACE or that LOVE, WE MUST have other requirements of character that are a vital part of our lives. These are Reliability - that we can be trusted to do what is right and what we are expected to do; Responsibility that we are able to answer for our own behavior and our obligations; and Respect for ourselves and for our fellow man.

May all of you have these three R's of character so that PEACE and LOVE can be an integral part of your whole lives.

Josephine M. Klempnow  
Dean of Students

The 1970-71 school year comes to a close, a year that has seen many changes. Take advantage of every good educational opportunity that is offered and be sure you make the best use of your time and efforts while in school.

My sincere best wishes go with every boy and girl of Central Junior High School.

William E. Stoner

## Class Prophecy

by Clematee Nelson

Hi! I know you would like to go along with me as I travel around the world on my modeling career. I've seen quite a few old faces from Centrals Class of '71, the hippest Freshman Class Central ever had. Right now I'm stationed in New York where MR. GERALD FULLER is Governor of the state.

"Please fasten your seat belts, we are now arriving in Washington, D. C., where RANDY THOMPSON has just been kicked out of the office of President of the United States. He went to the Paris Peace Talks and told MORRIS WEBB, ambassador of England, "You gonnas git it now!." Mr. Webb replied, "I know you will!." His wife, PRINCETTA PAYNE, is very unhappy. Her sister, ANTOINETTE FIELDS has been accused of the murder of GARY HALL, who was trying to inject marijuana into his knee.

I've just recieved a telegram from Milwaukee. Alias Smith & Jones Inc. are in trouble! TONY SMITH, who is the star of the Milwaukee Bucks, and ERIC JONES, who is head of the "Do Right Delinquents", have been sent to court on the charge of Loan Sharking, after DONNELL SANDERS and LARRY WILSON found their little black book! They were sent to prison "Until death does them part". In prison they met the mad scientists, Dr. EDWARD HUMPHREY, who tried to inflate his head, and Dr. HAROLD BARNETT, who thought he was the Great Huidini. SCOTT GIBSON is the warden.

Mr. and Mrs. DEREK MARTIN, formerly BRENDA WILLIAMS, are now marriage counselors for some very unhappy couples. STEPHANIE VAILEY has just gone to court, against TERRY LIDDELL, For bigamy. He supports his other wife ROSEMARY WINTERS, who thinks she can become white. LELIA BAILEY is married to FRED FALLS and is taking him to court for non-support. Fred is in danger because MILDRED DORSEY threatened to tell who he had been the other one int the trinagle. HER!

As I look through these tissue paper walls in Tupelo, Mississippi, I see RENAE NEWBERN, maker of Newbern Pickles, has just resigned her office because her employees RHONDA HAWKINS, CYNTHIA ABERNATHY, LENORE DELANEY, and BERTHA THOMPSON threw no good pickles at her.

Wait a minutel Here comes the famous Rice Krispies gang. Snap-TERRY EURICK, Crackle - EARNEST OWENS, Pop - ROCKIE SMITH. One day caray LENORE BALLS, silly VERONICA SIMONS, and wacky CAROLYN SMITH were eating and Pop hit Crackle, Crackle

snapped Snap, Snap popped Pop, Pop snapped Snap, Snap cracked Crackle, Crackle popped Snap, Pop snapped Cracle on the head and they all fell dead.

DEWEY CARTER and DWAYNE WILLIAMS Have invented the "Knowliddle+Doliddle" computer. This computer knows nothing-does nothing. DINAH MCMILLIAN Is their secretary. She knows nothing, but wrote a book called, "Get It If You Can". It tells how to get a man.

There is quite a disturbance at my door here in Los Angeles. No Wonder! here are the most famous men around, known as "The Lovers". MICHAEL WILSON and CRAIG WADLEY. Wait a minutel Here comes, guess qho? CONNIE STEWART. Miss Stewart is suffering from kleptomania. Her psychiatrist is BRENDA CLARK. Her problem comes from worrying about whether or not they will give her all the love she needs to get by.

We have here, the first two black astronauts to go to the moon, MARK WILLIAMS and CARL THOMAS. Mr. Williams is married to the former CYNTHIA CLAY, who is about to have a nervous break down. Mr. Thomas is a bachelor, but passes his time away at the Play Boy Club. CRAIG ISOM owns most of these clubs. RAY BLACKMAN is his assistant. Some of the new bunnies who work for them are: MARIE HARTFIELD, VALERIE McDUFFY, CONNIE BURIEL MONICA HATTER and LAVERN CURRY. Some of the others who work at the clubs in their sapre time are; LELIA and STEPHANIE BAILEY, CONNIE STEWART, ROSALINDA ORTEGA, and ANTIONETTE FIELDS.

I hear that LARRY FOSTER is "Chairman of the Board" for the Black Panthers and KENNETH SANDERS is prime minister.

Oh, by the way, I'm CLEMATEE NELSON, the worst lover in the nation, whereever I go, I get no ovation!
